Sub : Implementation of the E.S.I. act, 1948 and Registration of Employees of the Factories and Establishments under Section 1(3)/1(5) of the ESI Act, as amended.

Dear Sir(s),

1. It is informed that under section 1(3) of the ESI Act, 1948 is applicable to all factories covered under the Act within the area where your factory is situated.
2. It is further informed that the appropriate Government has extended the provisions of the Act to other establishments Under Section 1(5) of the Act in this area
3. Under Section 2 A of the Act such a factory/establishment is required to register itself under the Act and Chapter IV thereof casts a responsibility on the principal employer thereof to get his employees registered and pay contributions in respect of these employees covered under the Act.
4. On the basis of the particulars in respect of your factory/establishment submitted by you/ on the basis of the report of the inspection conducted by the Social Security Officer, who inspected your factory on -NA-, your factory falls within the purview of Section 2(12) of the Act with effect from 01/06/2015. In case, however, subsequent facts reveal that your factory was coverable from a date prior to the date mentioned above, you shall make yourself liable to comply with the provisions of the Act from such earlier date.
5. It is requested to take immediate steps for registration of your employees by submitting declaration forms online, payment of contribution, maintenance of records etc. from the date of coverage of your factory/establishment under the act.
6. You are also requested to submit employer's registration form (form 01) on line, as required under the provisions of sec.2-A of the ESI Act , 1948 read with regulation 10-B of the ESI(General), Regulations, 1950(only in case your Code No. is allotted as a result of Survey by a Social Security Officer of ESI Corporation).
7. For the sake of convenience your factory/establishment has been allotted code No **10001185210000604** which may kindly be used in all communications sent to this office and on all forms at the place indicated for the purpose. The Branch Office of the Corporation situated at **ESI Corporation, Type-D, Staff Quarter, ESI Dispensary, Nandnagri** has been instructed to render necessary assistance to you in connection with registration of your employees. In case you find any difficulty or for any other purpose which may be necessary in connection with the Scheme you are requested to contact the Manager of the above Branch Office who will render necessary help in the matter.

(एस०के० श्रीवास्तव)

महाप्रबन्धक (वि०)

24. All the debris/malba of the works should be removed and the site should be cleared by the contractor immediately after the occurring of debris. Similarly any rejected materials should be immediately cleared of from the site by the contractor. The site should be kept neat & clean.
25. The connection, inter - connection, earthing and inter earthing shall be done by the contractor where as required to be done for energisation of the installation and nothing extra shall be paid on this account.
26. Conduit layout shall be got approved before execution of work. Minimum no. of junctions to be kept and if required junctions to be kept underneath the fittings locations in corridor/rooms so that junctions are not visible after fittings are fixed/in position. Drop of conduit shall be well planned w.r.t. location of fitting/D.B. and crises crossing to be avoided. All chases in walls shall be cut using electrical chisels/cutters.
27. Proper temporary electric connections shall have to be provided for maintaining electrical supply to the building during the progress of work without any extra cost with no hindrance to civil progress of work.
28. Payment shall be released only after submission of PAN No. and Valid GST No. of the state where work is to be executed. If payment is delayed due to non-submission of PAN No. and Valid GST No. then, responsibility for the same will lie on the part of the contractor and no claim / interest etc. will be paid by the department on this account.
29. The tender with any condition including conditional rebates shall be rejected.
30. The contractor is also advised to get familiar with the nature of work, before quoting the rates to assess the location and quantum of work.
31. Department shall not be responsible for any injury partial or permanent or death of any worker at site due to accident or manufacturing of the equipment or by negligence of the staff.
32. The lowest tenderer shall have to use genuine parts for repairing/replacement taken from OEM of its authorized dealer.
33. If any condition is put by the contractor, which is not as per CPWD specifications/ terms and conditions of NIT, his tender is liable to be rejected.
34. **The contract can be terminated at any time during contract period by the department due to either Administrative reason or any other reason for that no any compensation shall be payable to the agency.**
35. The rates quoted by Firm/ Contractor shall be inclusive of all taxes such as GST& other taxes etc. and nothing extra shall be paid on this account. The quoted rates shall be firm.
36. Contractor will inform the contact number to Deptt. so that in case of emergency the contractor can be informed for the work.
37. **Contractors shall have to purchase the materials from manufacturer or its authorized dealer only and submit the proof of material purchased by them i.e. Challan / Bill for the genuineness of material. However Bill / Challan shall not be prior to date of opening of tender.**
38. **All screws/ nuts bolts should be galvanized/ cadmium plated/ passivatee only as the case may be.**
39. **First aid box shall be kept by the contractor at site of work. No extra payment shall be made on this account.**
40. The work involve including dismantling of existing burnt out parts. Nothing extra shall be paid on this account.
